Dear Editor,

We really appreciate your kind thought in publishing our manuscript IJAR-41562.

However, there is a misspelling of the name of the second author. It is supposed to be Verdinand Robertua Siahaan, as written in the last revision we gave you on December 21, 2022. Please find the attached last proof we gave.

Kindly revise it, as it is important for us. Many thanks in advance.

Best,

Hi Angel Damayanti

The proof of your article, to be published in International Journal of Advanced Research, is attached to this e-mail as a 'PDF' and also as Word file.

Method of returning proof corrections:

Kindly read the manuscript and do all possible changes to the attached word file. After saving the changes, send the saved word file back to the editorial board within 24 hours.

Please do not change the format of the word file, just check the spelling and other errors in the attached Proof. Please read the proof twice or thrice and make sure that the manuscript is error free.

Please use this proof for checking the typesetting, editing, completeness and correctness of the text, tables and figures. Significant changes to the article as accepted for publication will only be considered at this stage with permission from the Editor. We prefer to receive your corrected word file by e-mail so that we can process your article quickly and efficiently. We will do everything possible to get your article published quickly and accurately. Therefore, it is important to ensure that all the necessary corrections are made in the attached word file and sent saved word file back to us within 24 hours of receipt: please check carefully before replying, as inclusion of any subsequent corrections cannot be guaranteed.
