

**APPENDIX I**  
**Questionnaire**

**QUESTIONNAIRE**

**Pre-service English Teachers' Perception about Anxiety on Teaching Practice:  
A Case Study at Universitas Kristen Indonesia**

**Dear participants,**

I am a student in the last semester and doing a study on “Pre-service English Teachers' Perception about Anxiety on Teaching Practice” to write my undergraduate thesis. This questionnaire is one of the instruments for collecting data for the study. I would appreciate your willingness to participate in this study by filling this questionnaire.

**Thank you for your participation.**

**Researcher,**

**Veronica Novembrin M.**

**Name** : .....

**Gender** : Male / Female

**Instruction** : Please indicate that best expresses your opinion by placing a check ( ✓ ) in the appropriate box!

**1 = strongly agree**

**2 = agree**

**3 = disagree**

**4 = strongly disagree**

No.	STATEMENTS	1	2	3	4
1.	I did not get nervous when I spoke in classroom				
2.	I did not feel shy when speaking English in front of students.				
3.	I did not feel very comfortable in speaking English.				
4.	When I was on my way to language class, I did not feel very sure and relaxed.				
5.	I never felt quite sure of myself when I was speaking in the class.				
6.	I worried when I explained the lesson in English.				
7.	I wasn't worried if I may need to explain advanced vocabulary.				
8.	I wasn't afraid that I would not know how to teach certain grammatical rules.				
9.	When I realized I have made errors, I didn't become more nervous.				
10.	I was not afraid that my English was not as good as the regular English teachers.				
11.	The more I prepared for English class, I did not feel more nervous.				
12.	I was not anxious about maintaining a good enough standard of preparation.				
13.	I was not afraid when I needed to write detailed lesson plan.				
14.	I was not anxious when I have to develop suitable sources/materials for the lessons.				
15.	I was not worried if the lesson was not interesting.				
16.	I worried not when I introduced new topics to my students				
17.	I was not afraid that I cannot deliver abstract concept to my students.				
18.	I did not fear that I can't get the students' attention when I deliver my lessons.				
19.	I did not fear that I cannot meet the goals of the lesson plan when teaching.				
20.	I was not afraid that I cannot give appropriate feedback to the students.				
21.	I was not anxious about possible problems				

	in the class with individual learners' misbehavior.				
22.	I was not anxious that my students would not respect me in the classroom.				
23.	I was not anxious when my students asked me difficult questions.				
24.	I was not anxious about how to give each learner the attention to each student's needs.				
25.	I was not anxious that my students were unable to follow the lessons.				
26.	I was not worried about not passing the practicum.				
27.	I was not anxious about being observed and evaluated by my supervisors while teaching.				
28.	I was not anxious with my supervisors' expectation				
29.	I did not feel anxious when I was observed by my peers.				
30.	I was not anxious when my lecturer gives me a verbal evaluation of my teaching in front of my peers.				
31.	I was not anxious that I cannot have the full control of the class.				
32.	I was not worried when teaching English because the classes were crowded.				
33.	I was not worried I cannot manage the time to deliver the materials.				
34.	I did not feel uncomforTable with the noise level in my class.				
35.	I was not worried when I have to enforce discipline to the students.

## APPENDIX II

### INTERVIEW QUESTIONS

1. What did you do to teach confidently?
2. What made you afraid of not having good English skills?
3. What preparations did you make?
4. What things made you most nervous and anxious, and how did you manage it?
5. How was the condition of the classroom?
6. How did you manage the classroom?
7. How was your teaching practice?

### APPENDIX III
