Send your article corrections within two days

Method of returning proof corrections:

You may list the corrections in an e-mail and return them to us using the 'reply' button to this e-mail. Please list your corrections quoting line/page number.

If, for any reason, this is not possible, mark the corrections and any other comments on a printout of your proof and scan and attach using the 'reply' button to this e-mail.

Please use this proof for checking the typesetting, editing, completeness and correctness of the text, tables and figures. Significant changes to the article as accepted for publication will only be considered at this stage with permission from the Editor. We prefer to receive your corrections by e-mail so that we can process

your article quickly and efficiently. We will do everything possible to get your article published quickly and accurately. Therefore, it is important to ensure that all of your corrections are sent back to us in one communication within 12 hours of receipt: please check carefully before replying, as inclusion of any subsequent corrections cannot be guaranteed.

With regards
