Relation Between Growth and Developmental Status of Children in Kebon Pala.docx;

Dear Editor,

We wish to submit an original research article entitled "Relation between Growth and Developmental Status of Children in Kebon Pala, Jakarta" for consideration by International Journal of Sport, Exercise and Health Research, as mentioned in our letter and article attached in this email.

We confirm that this work is original and has not been published elsewhere, nor is it currently under consideration for publication elsewhere. I am looking forward to hearing good news from you in this email address.

Thank you for this opportunity.

Sincerely,

Weeke Budhyanti
