BACKGROUND

Master of Law, Faculty of Law, Indonesian Christian University (UKI) is one of the Masters of Law Programs in Indonesia with "B" accreditation which is in great demand by prospective students from various regions as an educational destination. Being an independent Master of Law Program and wanting to have a reputation in the national arena, the Master of Law Program, Faculty of Law, Christian University of Indonesia, continues to strive to improve and develop the quality and quality of its education. It takes a lot of effort to produce morally and academically qualified graduates and have competitiveness in the national arena. It manifested one of these efforts in carrying out the International Symposium: Law and Social Justice, 10 December 2021. The program provides students and lecturers of Master of Laws opportunities to gain experience and knowledge about law and social justice from foreign academics through the International Symposium.

Through the International Symposium: Law and Social Justice, 10 December 2021, Masters in Law at the Indonesian Christian University is given the opportunity to gain knowledge and exchange

experiences with lecturers from the Faculty of Law of the world's leading universities, increase networks, and apply their knowledge and expertise. This event makes the Masters of Law and Indonesian Christian University as institutions that are recognized at the international level.

Law and Justice, International Symposium is a discussion event, presentation of special topics on Law and social justice in several countries according to the origin of the speaker, which will be held by the Master of Law, Indonesian Christian University Jakarta on December 10, 2021, to coincide with World Human Rights Day. The International Symposium is open to all Indonesian Christian University students and academics to increase their knowledge of Law and social justice and is an opportunity for Indonesian Christian University academics to exchange ideas with foreign scholars on this topic.

Master of Law

Class of 2021

OBJECTIVES

The objectives of this International Symposium include:

1. Increase the knowledge of Indonesian Christian University students and lecturers on Law and Social Justice;
2. Promote Masters in Law and Indonesian Christian University to universities and law faculties abroad;
3. Realizing the goal of Master of Law and the UKI Faculty of Law, in particular, to become a Faculty of Law with international reputation because this international symposium is an arena for students and lecturers of Masters of Law and Indonesian Christian University to exchange ideas and build international networks;
4. To achieve Indonesian Christian University to become a “World Class University.”
5. To build relationships between UKI and universities abroad so that it establishes mutually beneficial relationships in the future.
