Dear Houda

Please add a paragraph before the bibliography. Thank You.

Acknowledgement

This article is one of the results of the research "Exploration and Potential Development Impacts on Increasing Regional Temperatures in Efforts to Accelerate Village Development" which was funded by the Directorate General of Higher Education, Research and Technology (Ditjen Diktiristek) through the 2023 Research and Community Service Grant Program. The contents are fully the responsibility of the author.

International Journal of Progressive Sciences and Technologies

Revision Form

Author (s) : Faradiba Faradiba

Title of Manuscript : The Impact of Accelerated Development on Air Pollution in Indonesia

Following revisions are required.

1. Study the Instructions to authors attached and revise the sections of your MS accordingly. For examples, we have Introduction only (not introduction + literature review / we have Materials and Methods, not Methodology and data / we don;t have conclusion.
2. Tables and Figures shall be removed towards the end of the MS, i.e. after the REFERENCES.
3. Normal margin preferred, if your Table has many columns, you may change the layout to landscape, just only for that specific Table.
4. Add previous research empirical studies.

The following I have added

1. I have read and followed in accordance with the guidelines given.
2. Tables and figures are placed after the references.
3. I use the left border of 4 cm, and the top-right-bottom limit of 3 cm.
4. I use the APA 7th guidelines on citations.
5. previous research empirical studies.

Author (s)

A handwritten signature in black ink, appearing to be 'Faradiba', written in a cursive style.

Faradiba
