Dear Editor,

Greetings, i hope you are healthy.  
Along with this email, i am sending you a paper to be published in "Al-manhaj Journal".  
I humbly thank you for your kind attention and for considering publishing our manuscript.

Hendri jayadi,

We Have Reached a decision regarding your submission to AL-MANHAJ: Jurnal Hukum dan Pranata Sosial Islam, "Kekuatan Pembuktian Keterangan Ahli Berdasarkan Hukum Acara Perdata Indonesia di Pengadilan Perdata Indonesia".

1. Eliminate it because HAPER definitely uses civil courts, not criminal or anything else
2. What type of data is used?
3. The problem is not yet clear, add previous studies and differences with your research and add relevant theories

Please correct the parts that have been noted.

Our decision is: Revisions Required
