International Journal of Progressive Sciences and Technologies

Revision Form

Author (s) : Faradiba Faradiba

Title of Manuscript : The Effect of Global Warming on Changes in the Labor Structure of the Agricultural Sector

Following revisions are required.

1. Study the Instructions to authors attached and revise the sections of your MS accordingly. For examples, we have Introduction only (not introduction + literature review / we have Materials and Methods, not Methodology and data / we don;t have conclusion.
2. Tables and Figures shall be removed towards the end of the MS, i.e. after the REFERENCES.
3. Normal margin preferred, if your Table has many columns, you may change the layout to landscape, just only for that specific Table.

The following I have added

1. I have read and followed in accordance with the guidelines given.
2. Tables and figures are placed after the references.
3. I use the left border of 4 cm, and the top-right-bottom limit of 3 cm.
4. I use the APA 7th guidelines on citations.
