Dear Author On passing through a plagiarism software, some similarities with already published material found in the manuscript. Please see the attached file, your original manuscript (without author names, keywords, tables, graphs, photographs and References etc.). At the end of the file, there is a Plagiarism Report. Please paraphrase your manuscript so that 1) Aggregate "Similarity Index" under "Originality Report" heading should be <19% and 2) from individual sources it should be <4% under "Primary sources". Please send your manuscript after paraphrase within 7 days for further progress of the manuscript. Regards Dr. Zahida Rani
