Participants' interview transcript

By Erna Basania

Erna : Hi

Responden 1 : Hi

Erna : So, im going ask you five questions about Edmodo, you nedd to answer it based on your opinion.

Responden 1: Okay

Erna : Okay, so the fist question what do you think learning online in Edmodo?

Responden 1 : I think, learning online in Edmodo is good because I have been using Edmodo for three years, I know because my university use that to do the assignment or anything. I think this more efficient if we have a platform to do the assignment online

Erna : Okay. The next question, In learning process, which class that makes you more confident and active? Online (Edmodo) or face-to-face class? Please give me your reasons!

Responden 1 : For some cases, I think i'm more confident in face to face class because in online class some introvert people will be more active than the extrovert, but im an extrovert so I more like to meet in face to face class, and more confident in it.

Erna : Okay, the next question. Do you think that your English is more improve by learning through Online class (Edmodo) rather than in face-to-face class?

Responden 1 : I think, its just same when I use online and face to face class. How improve your English is based on yourself. So its not based on the classes, if you want to learn English you will improve it by yourself.

Erna : Okay, the next question. Which one is more efficient for you, learning through online (Edmodo) or face-to-face class?

Responden 1 : For efficient,its Online class. Because you can do anywhere, everytime and you can access Internet easier and communicate with others too. But you cant get the essential of face to face class.

Erna : For the last question. In your opinion, what is the beneficial learning through Edmodo?

Responden 1 : like I said before, there is a platform make us easier to submit the assignment, get the comment form lecturer. And for the introvert which can be more active, because this platform makes the students do not afraid to ask the lecturer.

Erna : Okay thankyou for answering my question, have a nice day.

Erna : Good morning!

Responden 2 : Good morning!

Erna : Okay, I have five questions here about Edmodo. So, you need to answer it based on your opinion.

Responden 2 : Okay

Erna : Okay, the first question what do you think about learning online in Edmodo?

Responden 2 : I think, in Edmodo when I'm learning in Edmodo it is saved my time, but sometimes I got misunderstanding when getting the material in Edmodo.

Erna : Okay the next question, In learning process, which class that makes you more confident and active? Online (Edmodo) or face-to-face class? Please give me your reasons!

Responden 2 : Face to face I think, I'm more understand get the material in Face to face class.

Erna : Okay the next question, Do you think that your English is more improve by learning through Online class (Edmodo) rather than in face-to-face class?

Responden 2 : I think no, because my English more improve in face to face class.

Erna : Okay the fourth question, Which one is more efficient for you, learning through online (Edmodo) or face-to-face class?

Responden 9 : The beneficial learning through Edmodo, I think we can spending more time and we just need internet to open Edmodo and start the learning, especially in learning English.

Erna : Thankyou for answering my questions, have a nice day!

Responden 9: You're welcome!

Erna : Good Morning!

Responden 10 : Good Morning Erna!

Erna : Now we are going to discuss about Edmodo, I am going to ask you five questions about it, and you need to answer it based on your opinion.

Responden 10: Okay

Erna : The first question, What do you think about learning online in Edmodo?

Responden 10 : I think, it is a facility for students that facilitate students and teacher to study and learn in a distance

Erna : Okay the next question, In learning process, which class that makes you more confident and active? Online (Edmodo) or face-to-face class? Please give me your reasons!

Responden 10 : I think online learning is more make me more confident because I can search anything in internet, it can make me can find anything easier. And for face to face class, it can make me confident too by listening to the lecturer.

Erna : Okay the next question, Do you think that your English is more improve by learning through Online class (Edmodo) rather than in face-to-face class?

Responden 10 : Yes, but I think its fifty-fifty. In online class, we can improve our reading skills. Because we do reading mostly. And in face to face class, we can improve our speaking and listening skills.

Erna : Next, Which one is more efficient for you, learning through online (Edmodo) or face-to-face class?

Responden 10 : I think online is more efficient.

Erna : The last question, In your opinion, what is the beneficial learning through Edmodo?

Responden 10 : first we can save time and money. We don't need to go to campus or shool, we learn in our house. Second, we can submit our assignment easier, as we know there is due time it can remind us to finish the assignment sooner

Erna : Thankyou for answering my questions, have a nice day!

Responden 10 : You're welcome!

Erna : Hi!

Responden 11 : Hi!

Erna : Now we are going to discuss about Edmodo, I am going to ask you five questions about it, and you need to answer it based on your opinion.

Responden 11 : Okay

Erna : The first question, What do you think about learning online in Edmodo?

Responden 11 : I think it can helps you to save time, it doesn't need to come to the class and see your lecturer but you can study in every place.

Erna : Okay the next question, In learning process, which class that makes you more confident and active? Online (Edmodo) or face-to-face class? Please give me your reasons!

Responden 11 : It is based on yourself, if you are afraid to speak its better if you haveonline clas. If you are more confident its better for you to have face to face class.

Erna : Okay, based on your personalities, which class that suitable for you?

Responden 11 : I prefer face to face class.

Erna : Okay the next question, Do you think that your English is more improve by learning through Online class (Edmodo) rather than in face-to-face class?

Responden 11 : I think, I can improve my English through face to face class because it force me to speak English. But in Edmodo, I can submit assignment more discipline, because it has limit time.

Erna : Next, Which one is more efficient for you, learning through online (Edmodo) or face-to-face class?

Responden 11 : I prefer face to face class

Erna : The last question, In your opinion, what is the beneficial learning through Edmodo?

Responden 11 : The beneficial are its save your time and you can enjoy your learning because your lecturer doesn't see your learning process and you can search by yourself through web.

Erna : Okay, that's all. Thankyou for answering my question.

Responden 11 : You're welcome!

Erna : Hi!

Responden 12 : Halo Erna!

Erna : Okay, so I have five questions about Edmodo. You need to answer it based on your opinion

Responden 12 : Okay

Erna : The first question, What do you think about learning online in Edmodo?

Responden 12 : I think learning online in Edmodo works well to me because it is useful and kinda easy to use.i can submit my assignments easily and I can interact with my lecturers and friends there, and then there is no ned to waste paper to submit the hard copy of my assignment I only need submit it online.

Erna : Okay the next question, In learning process, which class that makes you more confident and active? Online (Edmodo) or face-to-face class? Please give me your reasons!

Responden 12   : I think Edmodo is only good for submitting assignment or to discuss something that is not clear yet, but for me, what makes me more active and confident is in face to face class because I can show or tell my opinion and ask question directly and then those who are need to answer my question can answer it directly too.

Erna : Okay the next question, Do you think that your English is more improve by learning through Online class (Edmodo) rather than in face-to-face class?

Responden 12   : I don't think that my English is more improve by learning through Edmodo because I cant be active there since my friends and my lecturer are not really active too, so I think that Edmodo is just a platform for us to submit the assignment and then to share the articles or anything but not really good for us to improve our English.

Erna : Next, Which one is more efficient for you, learning through online (Edmodo) or face-to-face class?

Responden 12   : I think the one more efficient for me is learning through face to face class, because it is important to see the face of the people who we are talking to. It is improving my speaking skills. And by learning face to face we can be more active and push by our lecturer to be active.

Erna : The last question, In your opinion, what is the beneficial learning through Edmodo?

Responden 12   : in my opinion the beneficial of learning through Edmodo is we are not wasting papers to submit assignment, it also easy to use, and it shorten our time in submitting the assignment. We will not waste time, money, and efforts.

Erna : Okay, that's all. Thankyou for answering my question.

Responden 12   : You're welcome!

Erna : Hi!

Responden 13 : Halo Erna!

Erna : Okay, so I have five questions about Edmodo. You need to answer it based on your opinion

Responden 13 : Okay

Erna : The first question, What do you think about learning online in Edmodo?

Responden 13   : I think learning in edmodo is very good because the students can access their Edmodo accounts anytime and anywhere such as school, cafe, and home. the students can upload assignments for their teachers to view and grade. Students who are normally shy in the classroom, can take advantage of edmodo and use it to

speak privately with the teacher. so the teacher easy to give feedback to his students without face to face class.

Erna : Okay the next question, In learning process, which class that makes you more confident and active? Online (Edmodo) or face-to-face class? Please give me your reasons!

Responden 13 : I think online in edmodo is more active because the students can do assignments given by the teacher anywhere and anytime.

Erna : Okay the next question, Do you think that your English is more improve by learning through Online class (Edmodo) rather than in face-to-face class?

Responden 13 : Yes because the teacher can upload images, links, videos, texts, or anything that he thinks can increase students' curiosity when learning.

Erna : Next, Which one is more efficient for you, learning through online (Edmodo) or face-to-face class?

Responden 13 : I think use edmodo is more efficient because , the student with other students can easily interact and discuss with the direct observation of the teacher. the students can download materials of learning.

Erna : The last question, In your opinion, what is the beneficial learning through Edmodo?

Responden 13 : Edmodo can make it easier for teachers to communicate with students. By using Edmodo, the teacher can share the assignment and learning with his students by online.

Erna : Thankyou for answering my questions!

Responden 13 : You're welcome!

Erna : Hi!

Responden 14 : Halo Erna!

Erna : Okay, so I have five questions about Edmodo. You need to answer it based on your opinion

Responden 14: Okay

Erna : The first question, What do you think about learning online in Edmodo?

Responden 14 : Face fo face class and online class can both lead to success on learning, but i prefer to face to face class because Face-to-face class helps us to organize the studies because we need to be somewhere at a specific time and date. Also, it's possible for us to interact with the instructor and the other students. If learners don't have enough self-discipline or didn't do their homework, they can

simply sit there and listen to their instructor. Beside that, face to face class help me build community with other students.

Erna : Okay the next question, In learning process, which class that makes you more confident and active? Online (Edmodo) or face-to-face class? Please give me your reasons!

Responden 14   : Face fo face class and online class can both lead to success on learning, but i prefer to face to face class   because Face-to-face class helps us to organize the studies because we need to be somewhere at a specific time and date. Also, it's possible for us to interact with the instructor and the other students. If learners don't have enough self-discipline or didn't do their homework, they can simply sit there and listen to their instructor. Beside that, face to face class help me build community with other students.

Erna : Okay the next question, Do you think that your English is more improve by learning through Online class (Edmodo) rather than in face-to-face class?

Responden 14 : I think, Its just the same, i can improve my english through edmodo or f2f class. Both are good ways.

Erna : Next, Which one is more efficient for you, learning through online (Edmodo) or face-to-face class?

Responden 14 : Learning through online (Edmodo)

Erna : The last question, In your opinion, what is the beneficial learning through Edmodo?

Responden 14 : Learners do not need to spend time or resources on commuting. Through edmodo, there's no need to spend money on transportation. Your learners can study using any device with an Internet connection.

Erna : Thankyou for answering my questions!

Responden 14 : You're welcome!
