Dear Halim Wiryadinata,

We have received the peer review reports for your manuscript.

I am pleased to inform you that your manuscript has been Accepted with Major Revisions for publication.

We recently updated our platform, so peer review reports can be submitted in two ways. Peer review reports can be downloaded from the Documents tab and/or viewed from the Peer Reviewer tabs on your Works page. Please check both places: <https://cgp.cgscholar.com/m/PendingWork?detail=15973>

The next step is to review the suggestions that the reviewers provided in their Peer Reviewer Forms, which can be viewed from the Peer Reviewer tabs on your Works page. After reviewing the suggestions provided, revise your manuscript accordingly. Both the reviewers' suggestions and your revisions must be documented using our Change Note template, which can be downloaded via this link: [https://cgscholar.com/cg\\_support/en/docs/41-general-change-note](https://cgscholar.com/cg_support/en/docs/41-general-change-note)

Please note that this revised version is the document that will be evaluated for final approval by the managing editor. This version should be created using the "Track Changes" function in Word so that all changes are visible. All content changes need to be made now. No content changes will be permitted after this phase.

Please upload your revised manuscript to the Documents tab or request an extension by September 10, 2024.

You can view your Current Works page here: <https://cgp.cgscholar.com/m/PendingWork?detail=15973>

Kind regards,

Ninetta DeBoni
