 robertsinurat@yahoo.co

Dear robert sinurat,

We have reached a decision regarding your submission to International Journal of Pharmacy and Pharmaceutical Sciences, "Role of SDF-1 And Celecoxib In Increasing Quantity of Neural Stem Cell in the Lesion Zone and Outcome Of Spontaneous Intra Cerebral Hemorrhage" with reference no. IJPPS 11679.

Revision required
 Comments-
 For revision of your article see the following points

- Language is poor and sentence constructions create confusion. Authors needs to rephrase the sentences and advised to take help from native English speaker (aware of scientific writing) to polish the language. After improvement, the manuscript will be moved forward for next step.
- See attachment for more comments and queries.

(All the changes made must be highlighted with RED coloured fonts or it should be done in track change mode).

Response to comments:

1. Authors are requested to make revision point to point and very strictly. Failure may cause its rejection

Dear robert sinurat,

We have reached a decision regarding your submission to International Journal of Pharmacy and Pharmaceutical Sciences, "Role of SDF-1 And Celecoxib In Increasing Quantity of Neural Stem Cell in the Lesion Zone and Outcome Of Spontaneous Intra Cerebral Hemorrhage" with reference no. IJPPS 11679

Your manuscript has been recommended (Provisionally Accepted) for publication after peer review.

Acceptance will be sent on receipt of the registration fee and adequate revision (Revised article).

For publication, all the authors are required to send registration charges (US\$ 50.00 per author). You are requested to inform regarding your acceptance for registration within 3-4 days.

For revision of your article see the following points

- Punctuation errors should be rectified. Deal it very critically to avoid any such error.
