Dear Editor,
JARDCS

Thanks for your previous excellent cooperation in publishing my previous manuscript. By this email, I would like to send my other manuscript to be published in your Journal. I have completed the manuscript and written it down based on the GFA required. The title of the article is "Relationship between Ultra High-Temperature Milk Consumption and High Glycemic Index Food with Acne Vulgaris at Medicine Faculty Universitas Kristen Indonesia"

I hope this this article can be published in the JARDCS Journal, because there are interesting finding in the scientific article that can become new treasures in science, especially in field of medicine

I am willing to go through the review process following JARDCS standard

Best Regards,
Thankyou

Dr. dr. Ago Harlim

Dear,

Dr. dr. Ago Harlim

Universitas Kristen Indonesia

Thanks for your email and the revised manuscript. But the manuscript still needs revising. Although there has been a great improvement after you revised it. However, you have to improve on a few more points. Hopefully, you are willing to do it. Please follow the following revision instruction:

1. Some paragraphs of the manuscript are hard to read by the expert, so please improve the way you write the manuscript. You can consult this part to the expert of English or to the native of English.

2. References need to be added with the latest relevant journal articles

Articles that have been revised and please send it back via this email
