The JARDCS journal Editorial board has reviewed your article, the research topic you discussed is quite impressive, but we decided that your article could not be accepted immediately. You must improve your article on several points

- Please correct your article according to the Instruction from the JARDCS journal Reviewers
- Describe explicitly in the Introduction of why this research is important or urgent to do about the vacancy of literature and included novelty.
- Some paragraphs in the manuscript are hard to understand.
- Use specific theory on each variable to measure the research variable
- Discussion need to be supplemented and deepened with qualitative interpretations
- Increase the number of journal references relevant to your study.
- Improve the language grammars and consult the native if necessary.

Do hope we can get the revision soon as soon as possible, and send the revised article again via this email

Best regards
