Dear Gunawan Tambunsaribu,

I am pleased to inform you that an editor has reviewed your submission, The Effectiveness of Collaborative Learning Strategies in Enhancing Critical Thinking Skills Among General Education Students, and has decided to send it for peer review. An editor will identify qualified reviewers who will provide feedback on your submission.

This journal conducts double-anonymous peer review. The reviewers will not see any identifying information about you or your co-authors. Similarly, you will not know who reviewed your submission, and you will not hear from the reviewers directly. You will hear from us with feedback from the reviewers and information about the next steps.

Please note that sending the submission to peer review does not guarantee that it will be published. We will consider the reviewers' recommendations before deciding to accept the submission for publication. You may be asked to make revisions and respond to the reviewers' comments before a final decision is made.

If you have any questions, please contact me from your submission dashboard.
