Dear Sir/Madam

We are pleased to announce the first International Seminar on Smart Molecules of Natural Resources (BaSIC 2019), scheduled on **11-12 July 2019**, at Swi Bellin Hotel Malang, Malang, East Java, Indonesia.

The International Seminar on Smart Molecules of Natural Resources is an annual scientific meeting organized by Research Center of SMONAGENES (Smart Molecules of Natural Genetic Resources), Brawijaya University, Indonesia. This meeting aimed to promote mutual exchange between scientists and experts, discuss of new research results in the fields of theoretical and experimental of smart molecule. The seminar facilitates of researchers and academic members experts from universities, government research institutions, private sectors, and non-government organization to share their knowledge and experience throth the discussion on plenary session, inviting speaker and parallel session of oral and poster presentation. The upcoming seminar theme is "**Smart Molecule Natural Resources for Biotechnology Perspective in Industrial Revolution 4.0**", which covers a broad range of research field with various scopes:

- **Molecular Genetics**
- **Biodiversity**
- **Bioinformatics**
- **Biomedical**
- **Biotechnology**
- **Biomaterial**

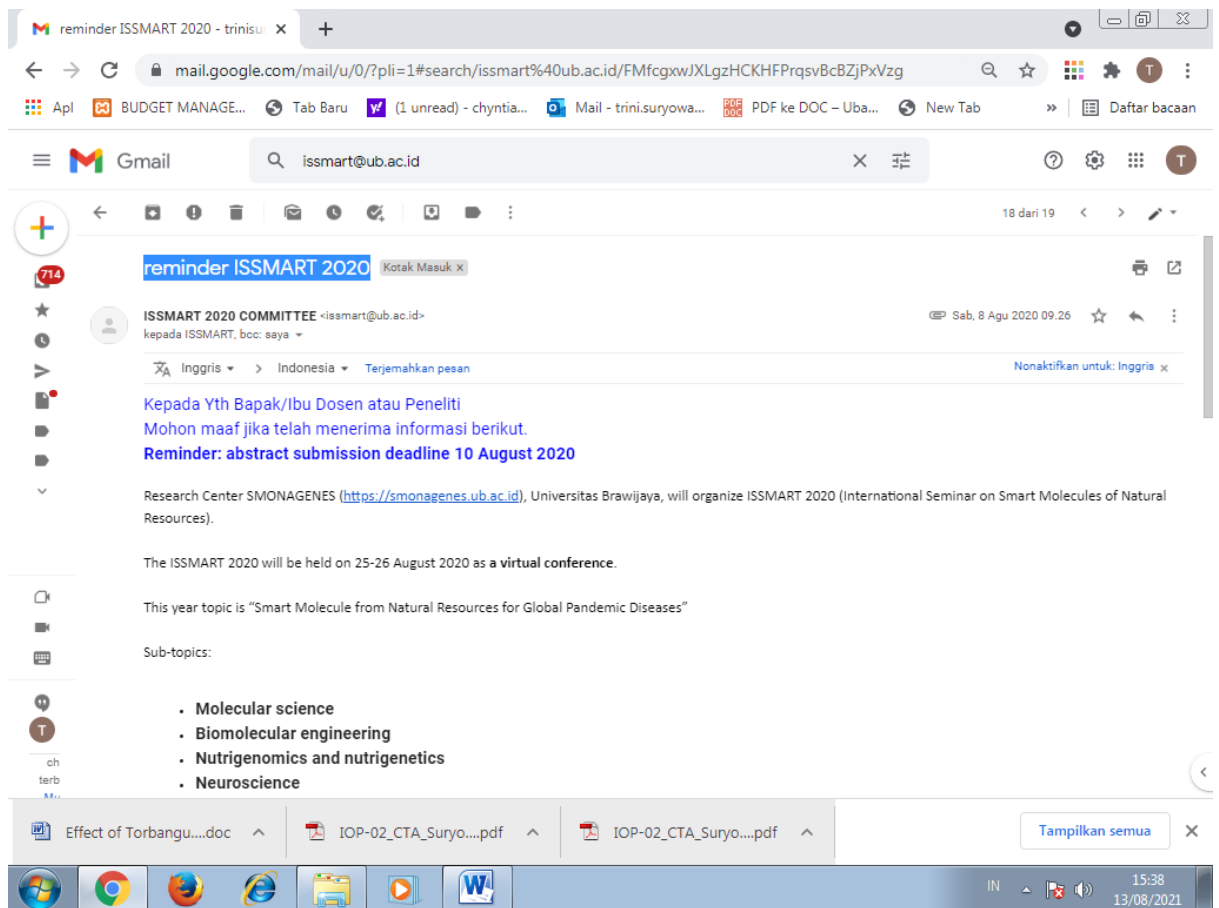

We cordially invite scientists, professionals, and students in the field of basic science to present their research.

Dear author(s)

I am pleased to inform you that this conference proceedings volume is now published and available online.

Here is a link for volume 1655:

<https://iopscience.iop.org/issue/1742-6596/1665/1>

We hope you can join us for ISSMART 2021.

Best regards
ISSMART 2020 Committee
