Unfinished Business Synopsis

After an argument with his boss Chuck Portnoy of Dynamic Systems, Dan Trunkman decides to leave and start his own business. Tim McWinters who was fired for being too old and Mike Pancake who was there for an interview follow Dan and join his new company. A year later, Dan's business, Apex Select, has barely gotten off the ground. In a, Dan gets a message to go on a business trip to meet with investors Jim Spinch and Bill Whilmsley, the latter being a friend of Dan's.

At home, Dan's kids Paul and Bess are being bullied at school. Paul is ridiculed for his weight and attempts to wear eye shadow to fit in with the goth kids. Bess asks Dan to finish a homework assignment of hers that requires him to describe the kind of person he is. Dan's wife, Susan, wants to put Paul in a private school, despite the pricey tuition, to bring him out of his shell.

The three head to Portland, only for Dan to discover that Chuck is there trying to close a deal as well. She and Jim get along well, have worked together before and it appears as though she's been given the go ahead. Dan gives his presentation to Jim, only to faint in the middle of it. He makes Mike go finish, but everyone is distracted by Mike's last name. This forces Dan to scramble and find a way to get a step ahead of Chuck. Dan starts to lose faith in the team, as Tim is more concerned about finding a woman to make love with due to an unhappy marriage, and Mike never attended college while possibly being Autism spectrum autistic.

Dan is told to go to Berlino to meet with Jim's parent department Gelger, specifically with Dirk Austerlitz.

Dan met Bill in a bar. He takes a look at Dan's numbers and says they definitely trounce Chuck's numbers. Dan and Bill also speak about how easy it is to get derailed from course.

Later on the guys meet with Jim. Jim later tells Dan that while his numbers are good, they aren't good enough to close the deal. The trio spends time with some of the youth at the hotel, being honest and smoking. After not smoking but listening to everyone, especially Mike, Dan goes out to buy "Straight Up Teal" eyeshadow and speak with his wife, his daughter, who reveals she beat up the other child for calling Paul names like "double stuff". Dan congratulates her but explains he will take care of Paul. He speaks with Paul and does his best to pick his spirits up. Dan later finds himself depressed and drinking with strangers/admirers of "American Businessman 42".

Dan later manages to score a meeting with Dirk, via Bill. First, the guys pass through a riot going on outside the building where Austerlitz is located. After evading police and getting pelted with paintballs, the guys make it inside with the aid of Bill. Austerlitz likes what he hears from Dan, then what he sees on their front page, and they close a deal, thereby saving Dan's business. He, Tim, and Mike celebrate by gloating in front of both Chuck and Jim.

The guys return home to their respective loved ones. Mike rejoins his friends from the special home and boasts his multiple "explores" in Berlin. Tim reunites with the maid he encountered in Portland. Dan rejoins his family, now confident of their future.

01:07:04,960 --> 01:07:08,328

dan para pengganggu bisa mengejek melalui
semua itu.

29. 1503

01:06:56,480 --> 01:06:58,562

kids would get teased at school all day,

01:06:56,480 --> 01:06:58,562

Anak-anak bisa diejek setiap hari di sekolah,

30. 1488

01:06:21,560 --> 01:06:23,722

Teasing sucks.

01:06:21,560 --> 01:06:23,722

Ejekkan menyebalkan.
