Dear Editor

When are the publisher manuscripts planned, January or February issues?

From: Faradiba <faradiba@uki.ac.id>**Sent:** Wednesday, February 3, 2021 10:06 AM**To:** Deveopment Research - <researchijdr@yahoo.com>**Subject:** Re: Manuscript Number: 20947

Dear editor, on the IJDR website the issues of January have been published. But my manuscript is not there yet, when can my manuscript be published on the website? Thank you.

--International Journal of Development Research--

Dear Author

I am pleased to inform you that **I HAVE RECEIVED PUBLICATION FEES** and would like to publish your article in our next issue. I have mentioned a link below with copyright form. In order to proceed to publish your submission we will need you to submit the following:

* A signed author agreement: <http://www.journalijdr.com/copyright-form>
(Submit copyright form to researchijdr@yahoo.com)

At this time we also want to remind you of our copyright and open access policies. Once your manuscript is moved to publishing, our production editor will keep you informed of your article's progress in the production process. You will also receive a proof of your manuscript for final review. We're excited to move forward with your submission. Please feel free to email me with any questions.

Sincerely,

-Editor-

Dear Admin IJDR

For information, on January 25, 2021, I made payments via western union. The financial institution where I made payments can only make transfers according to the destination country (India-INR). So I transferred IDR 2,150,000 (Indonesia) equivalent to INR11,130, and that value is equivalent to USD150. Thus conveyed thanks.

MANUSCRIPT REVISION

| No. | ID Reviewer | Reviewer Comment | Author(s) Comment |
|-----|-------------|-----------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| 1. | REV-IH | Please add some noise applications, so that the comparison results can be more diverse. | I have added 5 applications to the android application, this application is an application that is widely downloaded by users. |
| 2. | REV-BI | The literature used is still not sharp. | I have added some related literature, regarding the role of noise in community activities. |
| 3. | REV-SA | The background should be put forward based on the existing phenomena in Indonesia. | I have fixed the background according to the input given. |
| 4. | REV-CB | Determine suitable applications for quiet areas and noisy locations. | I have added it to the discussion and conclusion section. |
