Dear.
dr. Batara Imanuel Sirait, Sp.OG.
The IJRG Editorial Board has received your article. the research topic you discussed is quite impressive, but we decided that your article could not be accepted immediately. You must improve your article on several points
Please correct your article according to the Instruction from the IJRG Journal Reviewers
Describe explicitly in the Introduction of why this research is important or urgent to do about the vacancy of literature and included novelty.
Use specific theory on each variable to measure the research variable
Discussion need to be supplemented and deepened with qualitative interpretations
Increas the number of journal references relevant to your study.
Improve the language grammars and consult the native if necessary
Do hope we can get the revision soon as possible, and send the revised article again via this email
Best Regards,

Dear Editor,
International Journal of Research - GRANTHAALAYAH
Thank you to the patient of the IJRG Journal Editor Board, waiting for the revision of my article.
I have made improvements according to the reviewers instructions. I will be happy if there are still points that need to be improved again this article.
Revised Article Attached
