Kepada:Robert Sinurat

Sel, 31 Agu jam 19.01

Dear Robert Sinurat:

Thank you for your manuscript submission, "Tuberculosis Transverse Myelitis in Pediatric Patient".

Your paper has been peer-reviewed and may be considered for publication after the necessary revisions are completed to our satisfaction (comments provided further below).

Note: We require you to respond to this email to confirm that you wish to proceed and intend to submit a revised manuscript within 21 days. If you require more time to revise and resubmit please let us know immediately. We look forward to hearing from you.

Editorial comment:

- Please kindly follow the Reviewer A and B revision recommendations.
- Revise the manuscript within the .docx file that attached to this message.
- Please kindly upload the revised manuscript in the "Revisions" part. Thank you.

Sincerely,

Editorial Office

Febby Pratama, MD.
Managing Editor of Neurologico Spinale Medico Chirurgico Journal
gdfebbyp@gmail.com

Reviewer A:

The abstract doesn't include the discussion and conclusion of the study. Some grammar errors still can be improved.

Recommendation: Revisions Required

Reviewer B:

Please kindly make sure that the abstract properly reflect the background, case presentation, discussion, and conclusion of the study.

Recommendation: Revisions Required

Dear Robert Sinurat

I am pleased to inform you that your submission, "Tuberculosis Transverse Myelitis in Pediatric Patient", has been accepted for publication in Neurologico Spinale Medico Chirurgico.

We will now begin to work on the preparation of the publication.

Sincerely,

Editorial Office

Febby Pratama, MD.
Managing Editor of Neurologico Spinale Medico Chirurgico Journal
gdfebbyp@gmail.com

PS: By having your manuscript accepted for publication, you agree to our terms of publication:

- 1) Your paper must be unique and not published elsewhere;
 - 2) Any reused or adapted figures and tables must only be used by permission of the copyright owner (normally the journal publisher and not the author);
 - 3) Your manuscript should not be under consideration by any other journal or publisher;
 - 4) The Editor-in-Chief or their Associate Editor may, at any time, at their sole discretion, cancel the acceptance of any manuscript.
-
