Dear Colleagues,

I hope this message finds you well. One more time I warmly thank you for participation in the VII International Asian Congress. Your engagement is considered crucial for events like the IAC since it makes them truly international platforms for exchanging ideas and scientific opinions. I am glad you have become a part of the initiative and hope you liked our event.

As the secretary of the Congress, I have a pleasure to invite you to submit post-Congress papers to publication either in conference proceedings or the Polish Political Science Yearbook (<https://czasopisma.marszalek.com.pl/pl/10-15804/ppsy>), depending on your choice. We wait for the papers **until the end of February**. They should be sent to Bartosz Plotka, PhD ([bartek@marszalek.com.pl](mailto:bartek@marszalek.com.pl)), signed below.

Having the opportunity, it is my even greater honor and pleasure to invite you for the 8th edition of the Congress that we plan to organize this year on May 19-21 in Toruń, Poland (virtual participation is possible as well). If you are interested, please visit the event's website: <https://kongresazja.pl/index.php/en>

Stay healthy and positive,

Bart
