Dear Ms. Marina Silalahi

We are glad to inform you that we have received the **second review** results related to the content of your manuscript. Please note the comments/suggestions/questions of the reviewer, which are written in the manuscript (marked by track changes/comment option) and the review form attached. We attached also the example of IOP published paper to help you improve a reference format of your manuscript.

Besides that, we also did **proofreading** in order to correct typographical errors and mistakes in grammar, style, and spelling of your paper. Please note the results of proofreading, which are written in the manuscript (see attachment). If you think the results of the proofread are not appropriate, then you can ignore the results.

May we request you to incorporate in the manuscript the reviewer's comments/suggestions/questions as soon as possible, not later than 31 July 2018.

Please send back the final revised manuscript **with track changes version (1 file)** and **the clean version (1 file)**. The final revised means the combine revision for both proofread and second review content.

Should you have further questions, please do not hesitate to contact us.

Regards,
 ISATrop 2017 Organizing Committee
