Dear Dr Sinurat,

Reviewers have now commented on your paper. You will see that they are advising that you revise your manuscript. If you are prepared to undertake the work required, we would be pleased to reconsider our decision.

For your guidance, reviewers' comments are appended below.

If you decide to revise the work, please submit a list of changes or a rebuttal against each point which is being raised when you submit the revised manuscript.

To submit a revision, please go to <https://www.editorialmanager.com/ijscasereports/> and login as an Author.

Your username is: robertsinurat@yahoo.com
<https://www.editorialmanager.com/ijscasereports/l.asp?i=630257&l=QA8DF64Z>

On your Main Menu page is a folder entitled "Submissions Needing Revision". You will find your submission record there.

Finally, we would appreciate if you could submit your revised paper by Mar 29, 2022.

Yours sincerely,

The Editors
International Journal of Surgery Case Reports

Have you considered publishing a protocol for your next study? You can now publish your study protocol with IJS Protocols, our pioneering new journal for surgical protocols, visit <http://www.ijsprotocols.com> for more details.

International Journal of Surgery Case Reports

Dear Dr Sinurat,

I am pleased to inform you that your paper "Severe Headache and Seizure Free after Microscopic Fenestration Craniotomy of Middle Fossa Arachnoid Cyst: Case Series" has been accepted for publication in International Journal of Surgery Case Reports.

This journal is fully open access; all articles will be immediately and permanently free for everyone to read and download. To provide Open Access, this journal has a publication fee which needs to be met by the authors or their research funders.

In the next few days, you will be receiving information via email to allow you to choose one of the CC license options, providing funding information and a link to our payment system.

Learn about publishing Open Access in this journal: <http://www.elsevier.com/journals/International-Journal-of-Surgery-Case-Reports/2210-2612/open-access-options>

We appreciate and value your contribution to International Journal of Surgery Case Reports. We regularly invite authors of recently published manuscript to participate in the peer review process. If you were not already part of the journal's reviewer pool, you have now been added to it. We look forward to your continued participation in our journal, and we hope you will consider us again for future submissions.

Yours sincerely,

The Editors
