Dear,
dr. Wiradi Suryanegara, M.Kes.

The IJHSR Journal Editorial Board has reviewed your article, the research topic you discussed is quite impressive, but we decided that your article could to be accepted immediately.

You must improve your article on several points.

I'm sure you are willing to make this improvement because your scientific articles must meet IJHSR Standards.

Please Correct your article according to the instructions from the IJHSR Standards

1. This article is very actual and interesting but the writed needs to show the novelty of this research
2. The theory uses is specific to explain the phenomenon being studied
3. The author must explain the methods used in this study in detail until the data analysis
4. Result and discussion need to be compared with previous finding so that the novelty of this study will be clearer
5. Reference need to be reproduced with the latest journal that are relevant to the research theme

I hope you can make improvements as soon as possible and send the revised article via this email.
