Dear Rokman,

Thank you for your acceptance of my paper.

Attached are the revisions that have been done according to comments from the publisher:

1. First attachment is the file highlighted in yellow color for revision in the body of the paper and revision for references (without highlighting in yellow color).
2. Second attachment is the file with revision for body paper and references after removing the yellow color highlighted.

Third attached is author declaration has been signed as informed by publishers

Thank you

Best Regards
Juliana
