APPENDICES

Appendix I Questionnaire

QUESTIONNAIRE

Adapted from Hossain & Bar (2015)

Dear All,

I am Ouza Muktie, a student of English Teaching Study Program of Christian University of Indonesia batch 2014. As a fulfilment of the requirement in obtaining the degree of Sarjana Pendidikan in Pendidikan Bahasa Inggris, I intend to conduct a research titled “Factors of Code-Mixing in Indonesian-English Conversation among Students: A Survey”. The data obtained in this study will be very useful for researchers, scholars or academics, and society in general to get a savvy of such phenomenon and for further study.

Therefore, on this good opportunity I kindly ask your willingness to be the respondents of this study and to fill out the questionnaire that has been provided. The result of your answer sheet will be kept strictly confidential and it will only be used for the purpose of this research.

The source of data of this research will be shaped by your input. Thus, your view is of extreme importance and the researcher will value your response and take them fully into account. This is not a test, so there are no right or wrong answers.
Your answers will not prejudice you in any way. I kindly ask you to consider and respond the questions carefully and honestly.

Thank you for your participation.

Based on the explanation and examples given, have you ever code-mixed in any situation and time?

- [ ] Yes
- [ ] No

**Section A**

Personal Details

Name :

Age :

Gender: [ ] Male [ ] Female

Batch: [ ] 2015 [ ] 2016 [ ] 2017

Your nationality:

- [ ] Indonesian
- [ ] Non-Indonesian

**Section B**

This questionnaire below consists of 26 items. You are required to respond with tick mark (✓) on the preference given here.

1. How often do you speak English?

   - [ ] Always
   - [ ] Sometimes
   - [ ] Never

2. With whom do you speak English the most?

   - [ ] Parents
   - [ ] Friends
   - [ ] Teachers
3. Do you sometimes use English expression during the conversation in Bahasa Indonesia?
   ☐ Yes
   ☐ No

4. If you are fluent enough, then do you feel ashamed of mixing codes of different languages?
   ☐ Yes
   ☐ No

5. Do your lecturers always use English in class?
   ☐ Yes
   ☐ No

6. Do they mix English with Bahasa Indonesia during giving classes?
   ☐ Yes
   ☐ No

7. Do you think that mixing English words in Bahasa Indonesia conversation shows your educational qualification?
   ☐ Yes
   ☐ No

8. Do you think that mixing English words in Bahasa Indonesia conversation is good?
   ☐ Yes
   ☐ No

9. Is the mixing of English and Indonesian words a threat to Bahasa Indonesia?
   ☐ Yes
   ☐ No

10. Is there any role of media in mixing codes?
11. Do you think mixing Bahasa Indonesia with English increases your status towards opposite sex?

- [ ] Yes
- [ ] No

12. Do you think that code-mixing happens from lack of knowing the exact meaning of the codes?

- [ ] Yes
- [ ] No

13. When do you usually mix English with Bahasa Indonesia?

- [ ] Inside the class
- [ ] Outside the class
- [ ] Others: ………

14. Is there any influence from your environment to code-mix?

- [ ] Yes
- [ ] No
- [ ] Sometimes

15. Arena of code mixing

- [ ] Intellectual dialogues
- [ ] Chat/SMS
- [ ] Every situation
- [ ] Familial
- [ ] Social
- [ ] Official
- [ ] Club

16. Do you mix code because you do not know the native/appropriate meaning?

- [ ] Yes
- [ ] No
- [ ] Sometimes
17. Do you mix English words because of forgetting the right words of Bahasa Indonesia?
   □ Yes
   □ No
   □ Sometimes

18. Do you think FM Radio plays an important role in mixing codes?
   □ Yes
   □ No

19. What are the factors of code-mixing?
   □ Electronic media (Radio, TV)
   □ Newspaper
   □ Books
   □ Environment

20. Which foreign language do you use in conversation?
   □ English
   □ French
   □ Mandarin
   □ German
   □ Others: ...........

21. English is the most used foreign language in your conversation. Do you agree?
   □ Yes
   □ No

22. Do you mix English deliberately or naturally?
   □ Deliberately
   □ Naturally

23. Do you agree using English in the conversation makes you smarter?
   □ Yes
   □ No

Appendix IV Transcribed Interview

INTERVIEW

A. Goal

The goal of the interview is to get better information and data about Factors of Code-Mixing in Indonesian-English Conversation among Students: A Survey, and to get additional information that can support the data collected through questionnaire.

B. Questions

Identity: R1 (Respondent Number 1)

1. Interview Questions

   a. Why do you mix Bahasa Indonesian and English in your conversation?

   “Because I don’t… sometimes I don’t understand how to express something in Indonesian and or I don’t know how to express something in English so I mix the codes.”

2. In what situations do you mix codes?

   “Almost in… when I (do) presentation or there’s something when I explain and when the people that don’t understand so I should use Indonesian and mix.”
3. How do you evaluate the impact of code mixing towards Bahasa Indonesia?

“I think that, it has an impact. Because language is a big thing so we can’t hold it, the spread of code-mixing. Because with or without our conscious we use code-mixing so… But I think it’s kind of good because we need English so we need code-mixing.”

C. Closing

Thank you for your participation.
INTERVIEW

A. Goal

The goal of the interview is to get better information and data about Factors of Code-Mixing in Indonesian-English Conversation among Students: A Survey, and to get additional information that can support the data collected through questionnaire.

B. Questions

Identity: R3 (Respondent Number 3)

2. Interview Questions

a. Why do you mix Bahasa Indonesian and English in your conversation?
   “Sometimes because I don’t get the meaning in Indonesian or sometimes in English so I mix the languages. Because I see to whom I speak like if they can’t get what I speak I code-mix the languages.”

b. In what situations do you mix codes?
   “Sometimes in the class and sometimes in chat, sometimes also when I (am) gossiping with my friends.”

c. How do you evaluate the impact of code mixing towards Bahasa Indonesia?
   “Yes of course there is an impact. It will be a habit for me. Actually I’m an English student and code-mixing is actually not good for me. I should
fluent in English not code-mixing so there’s a negative impact that I found when I code-mixing the languages.”

C. Closing

Thank you for your participation.
