FINAL REVISED

Melati Mediana Tobing

Dear Pak Bagus,

According to your messsages in whatsapp, I have revised my article with two colors: yellow for the first revised and blue for the second revised.

I also change the title, keywords, and references. They are already in colors too.

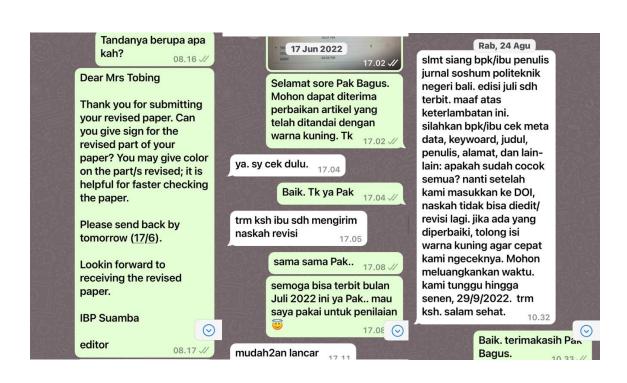

Meanwhile, we can connect through this medium or whatsapp, until I can directly update metadata on the SOSHUM website.

Thank you very much.

Regards, Melati Tobing
